

MONA ELECTRICAL SERVICE, INC.

NEWSLETTER

March 14, 1990

SUBSTANCE ABUSE UPDATE

Provide a choice, develop wholesome alternative activities for youth. Work with your community, volunteer in your church or synagogue, organize cultural and sporting activities for children. Call 699-2400/699-2407.

PARKING TICKETS

Reminder: Mona Electric (ME/MS) does not encourage illegal parking. We limit the amount we will pay for a parking ticket to \$25.00. The following is a list of the tickets we will not pay. Also, Mona Electric will not pay for any moving violations.

- Parking on sidewalks
- Parking in "No Parking Zones"
- Parking in "No Stop/No Stand Zones"
- No Parking - Rush Hour
- Parking In Bus Zones
- Other Avoidable Violations
- Any ticket over \$25.00

Last month, Mona received \$2,500 in parking tickets. This equates to \$30,000 a year. A concerned effort must be made to be more careful and aware of where you are parking.

WELCOME BACK

We all give a big "Welcome Back" to Janet Miller who returned to work 3/12/90 from maternity leave. Janet is

Administrative Assistant and Andy Mona's right hand man (so to speak). We're glad to have you back.

Janet would like to extend a special thank-you to Service/ Jobbing/ Technical field electricians who contributed a generous gift to Rachel Miller (Janets baby girl) with which a bank account was started.

JOB SPOTLIGHT

We would like to recognize Rick Gacek for his outstanding work at the GMF Post Office for Coffey Construction. Everything was done in a professional, timely manner with little to no problems. Good Job!

TIGHTEN UP SECURITY

A professional robber was arrested last week in the Clinton area. This robber has committed 40 robberies in the Clinton area. He is believed to have committed 80, 40 which are confirmed. He was caught by a concerned employee who noticed a strange car in the parking lot and called the police.

Please tighten up security - if you notice any strange person(s), vehicle, or anything out of the ordinary, notify someone whether it be your manager, office manager, a coworker or the police - tell someone. Mona is not responsible for any personal items stolen. Make sure you lock them up - whether it is in your car or in the office. It is your responsibility. Let's all stay aware of our environment and help prevent crime. Clinton Sub Station 856-3130.

EMPLOYEE OF THE MONTH

Diane Kobilis, Dispatcher for Service Department, is our proud recipient of the "Employee of the Month for March 1990". Diane has performed in an exemplary manner in not only undertaking a new position but learning and teaching others the new computer system. Your dedication is appreciated. Keep up the good work!

FASCINATING FACT

Raking leaves can cause itchy eyes, nasal congestion and difficult breathing if you're allergic to molds. The risk of allergic reaction is less if you rake freshly fallen leaves, since it takes a day or two for leaves to decompose and for molds and mildew to develop.

WELCOME ABOARD

The Technical Department is proud to introduce **Bill Millholland**, Technical Service Project Manager. Bill has been in scouting for approximately 20 years and enjoys playing the guitar. Next time your in the Technical area, stop in and welcome him aboard the Mona Team!

SAFETY NOTE

Protect yourself from possible dangers. Wear a hard hat when in hard hat area. Wear goggles, eye protection, respirator, and other safety gear as the situation warrants it.
