SUBSTANCE ABUSE UPDATE

If you have a loved one that is trying to cope with a drug or alcohol problem, the best approach is to offer your support. Encourage and assist the person in getting professional help. But remember, you can't make the choice for drug or alcohol abuser. The final decision to get help is theirs.

SALUTING OUR FAMILY MEMBERS IN THE GULF

We would like to acknowledge Mona family members that are participating in the Gulf War. We pray for their safe return:

- **Corporal Den Lambuth** - Marines - Nephew to Camille Latini
- **Jeffrey Gwynn** - Marine 1st division Intelligence - Brother of Bernie Gwynn
- **Captain John T. Smith** - U.S. Army - Brother of Marty Smith
If you have family in the Gulf, please call Barbara Huber at (301) 868-8404

Let's keep them in our thoughts and prayers.

EMPLOYEES OF THE MONTH

Introducing February 1991's Office & Field Employee's of the Month: **Lisa Thornton and Joe Garzone.**

Lisa Thornton is our Department Secretary for the Jobbing, Technical and Service division. She handles the three divisions typing, filing, phones and time sheet check-in's. Lisa does a great job in supporting all three divisions. She does it all with a smile. Congratulations Lisa!

Joe Garzone, Electrician, is heading up our Energy Monitoring & Control projects. He is presently working with EMS and Landis & Gyr Powers. Because of the quality of work with Landis & Gyr Powers, Joe has got us additional work with them. Who says quality doesn't sell!

SAFETY UPDATE

It has been a while since we've last reported claims. Remember, every person at Mona plays a vital role in keeping our projects claim free. Let's try to keep the worker's comp. claims down! Safety First on the job!!!
