NEW LOCAL TAX RATES

The new local tax rates, for Maryland residents, go into effect on July 1, 1992. These new rates are reflected in your paycheck dated 07/03/92 if you live in Maryland.

THEFT ALERT

We have had several break in's and job thefts. Please lock up all tools in your boxes on the trucks and on the job. Conceal your radios if you set them down inside trucks and don't leave any tools unattended on the job. This eats into our job cost and insurance premiums.

GET WELL SOON

- Darin Pasqualle recently had minor surgery. He nose we are all thinking about him and wish him a quick recovery.

- We are glad to hear Cheryl Carpenter is feeling better after her recent operation to correct hearing in one ear. We'll see you soon!

JOB WELL DONE

We recently performed a large generator repair job at 1850 K for Bob Fowler of Oliver T. Carr. Thanks to all that participated including Jim Quinn, Ronnie Harrel, Butch Ritter, and Tim Kelly. A special thanks goes out to Butch Ritter and Tim Kelly for leaving their job to assist in moving the generator. The Engineer who was scheduled to assist could not help as pre-planned. Thanks for a job well done!

WELCOME BACK

A hearty "Glad To See Your Back" is extended to Angela Karnezis who returned to work July 1st. Welcome Back to your new office. A special "Thank-You" to Lisa Thornton for holding down the fort.

FASCINATING FACT

Some of the leanest cuts of beef are select-grade round tip, eye of round, top round, top loin, tenderloin, and sirloin. A well-trimmed three-ounce service (after cooking) of any of these cuts has fewer than 190 calories and less than 8 grams of fat - and derives just 30% to 40% of its calories from fat.

EXPECTING PARENTS

Congratulations go out to Mr. and Mrs. Tom Taylor who are expecting their 2nd child. Keep us posted on the new addition.

Ronnie and Debra Harrel are planning for the birth of their 2nd child in February. We wish you a smooth and comfortable 7 months.

4TH OF JULY

Have a safe and enjoyable 4th of July.
